

Results of the 1969 CQ World Wide DX (C.W.) Contest

BY FRANK ANZALONE,* W1WY

THE c.w. section of last year's contest, (Nov. 1969) like the previous year was again somewhat of a disappointment, especially when compared to the excellent conditions and activity that had been experienced during the phone week-end the previous month.

Returns on the average were below normal, and I had given up on any hopes of even equalling last year's overall total. But after everything had been tallied we got the surprise of our life, we finally broke 3,000. How come? An unusually high return from the USSR block and a few other European countries. The c.w. total was 1636 logs, well above last year's level. Add that to the ever increasing participation in the phone section (1377 logs in 1969) and we have a grand total of 3013.

Now if we could only wake up the fellows over in Africa, the areas south of us and the boys "down under" we would really have a good thing going. Even the additional W3AA and W6RR awards failed to produce the desired activity. Once again the Caribbean/C.A. award will not be given due to a lack of eligible entries. Nor will they be presented in the future unless we see a definite improvement in the activity from these areas.

*Chairman, Contest Committee.

Jim Neiger, 9Y4AA winner of both the Phone and C.W. All Band Trophies in this year's contest. Jim was also "Top Banana" as ZD8Z in last year's phone section.

Many General license holders are passing up the contest because they feel the handicap is unfair. On the other hand K2MFY has other thoughts, says Ed, "having an Extra

PLAQUE & TROPHY WINNERS

Single Operator, Single Band

WORLD—North Jersey DX Association, Earl Lucas, W2JT Memorial Trophy. Won by Jorge Branco, CR6GO (14 mo)

Single Operator, All Band

WORLD—Larry LeKashman, W9IOP Trophy. Won by James Neiger, 9Y4AA.

U.S.A.—Frankford Radio Club Trophy. Won by James D. Ahlgren, W4YHD.

EUROPE—W3MSK Operators' Trophy. Won by Villea K. Hiilemaa, OH5SE.

AFRICA—Gordon Marshall, W6RR Plaque. Won by Guttorm Amdal, 5H3KJ.

Multi-operator, Single Transmitter

WORLD—Dr. Anthony Susen, W3AOH Trophy. Won by Station UA9KAX. (Ops. UA9BE, UV9AK, UV9AS, UW9BC, UAØBP, UA9-1657.)

Multi-operator, Multi Transmitter

WORLD—Hazard Reeves, K2GL Trophy. Won by Station CV2AA. (Ops. CX1AAC, CX1BBV, CX3BH, CX7CO, CX8CZ, CX9BT)

Contest Expedition

WORLD—Dr. Donald Miller, W9WNV, Dr. Harold Megibow Memorial Trophy. Won by Station PJØCW. (Ops. K4BAI, PJ2VD, W1BIH, W2EQS, W2TA, W4BRB, W4GF, W4KFC, W4YWX, WB4GTS.)

Potomac Valley Radio Club

The "big gun" out of Venezuela, 4M5ANT #4 in the All Band Top Ten listings. José found conditions good on the low bands but very difficult raising the Europeans who were busy working each other.

class license is no bargain in the contest, all the guys eventually operate above 25 kc anyway."

We receive many requests to give separate awards for each class of license, and W2DYS wants us to give certificates of merit to all those who score above a given level. I'm sure that would increase the returns but would that get involved. We average well over 700 certificates a year, which I am sure far exceeds those issued by any other activity.

Jim Neiger, 9Y4AA went and did it again, polished off the competition and added the W9IOP All Band C.W. Trophy to the one he had already won on phone. Jim is now back in the States and will be operating the next one from the West Coast. He will find things a bit different from this side of the fence.

Last year CR6GO set a new world's record on 21 mc, and this year Jorge was out to break Don Miller's record on 14 mc. He didn't quite make it but easily captured the NJDXA Single Band Trophy. Nice going Jorge.

We are happy to see the W3AOH Multi-Single Trophy go to the boys at UA9KAX for a productive and well organized operation.

Also high on the list was the ZFIAN Contest Expedition by three members of the "Boiled Owls," Jack, W2GGE, Larry, W2PCJ and Andy, WB2CKS, our ex-committee member who has been too busy to give a hand but did find time to get in a little operating during his vacation.

Awarding the K2GI, Multi-Multi Trophy to CV2AA required a bit of checking back into the records. Both PJ0CW and W4BVV the top stations were previous winners within the past three years. The CV2AA operation

was organized by Horacio, CX3BH and practically drained all the c.w. talent in the area, so there was little other activity out of Uruguay.

This was the 3rd "Flying Contest Expedition" for the PJ0 group, a joint operation by the PVRC, Conn. Wireless and a few outside "ringers." Its a new world's record and the CQ Championship Plaque for them. And in addition we, (the Committee and its donor Don Miller), have also awarded the Contest Expedition Trophy to them for their complete coverage on all bands and making Curacao available to over 6600 stations.

Its the same old story with the CQ Club award. The Frankford boys have the largest turnout but the Potomac Valley takes home the bacon. Its the PVRC's multi "big guns" that makes the difference. Of course the big PJ0-DX phone score is the reason for the wide spread in the scores, but they would have won without it.

The FRC insists that expedition scores should not be included in a club's total. However we feel that Contest Expeditions add excitement to the contest, and if a club goes to all the trouble of organizing an expedition and the station is manned by members, the score should be credited to that club. (My feelings are that if those same members operated their own home stations they would turn in a comparable score anyway.)

Once again the Northern Cal. gang beat out their arch rivals the Southern Cal. club, mostly due to the fact that they had more stations on the air.

And the Florida DX Club soundly trounced the Ohio Valley ARC for the K4IIF Trophy. Whatever happened to those high scoring OVARC stations?

Among the foreign clubs the Rhein-Ruhr seems to be the only one that is making an organized effort to win the CQ Plaque.

Let me once again remind you that to be listed a club must have a minimum of 3 log entries, and we also require a list of participating stations from the club's activities manager.

Only two new world's records were set in this one, the single operator, all band score by 9Y4AA and the multi-multi score of PJ0CW. There may be a few new continental scores. Check W2IWC's all time records in next month's issue. Freddie will have a new up-dated list, including the Phone section which will have quite a few changes.

Band-by-band breakdown of top scores.

YL operators in the contest? Sure, but not as many as in the phone week-end. We did note Kaarina, OH2YL, Dot, WA8DOY and Jinny, 9N1RA who borrowed an old Viking transmitter with only one crystal from Fr. Moran, and made over 400 contacts using a 3 band Mosley vertical for the antenna. (Jinny, please send me your state side address for your certificate.) Too bad PY2SO did not make it this year. Sonia was on her way back from an extensive tour of Europe and the States.

If you think Father Time is slowing you down and you find contesting a bit rugged, think of the "Grand Old Man" of the contest, Gene Rosseel, ON4CE who was 81 on Oct. 19th 1969 and has been in our contests for years.

And if you should hear G3NSY trying to break thru a pile-up in the next one, QRX and give him a break: Fred is a blind operator who has faithfully sent us his log. Some of the other U.K. operators should be that dedicated.

The VK3's claim they were beaten before they even started. Due to a strike by the electric commission employees the whole Victoria area was restricted in the use of power and they were unable to do any operating until 0200, two hours after the start of the contest.

It was with nostalgic feelings that I recorded W2JB's score at the bottom of the W2 all banders. Ben, our departed committee member, always found it humorous being "low man on the totem pole," as he put it. Maybe that was why he was high in the hearts of his fellow operators.

We ran across a real ambitious looking score on 160, but I guess OL6AIU didn't realize that his log was going to be checked by a knowledgeable "top bander." That one is being emphatically disqualified.

Once again we received valuable assistance from some of the European clubs. We wish to thank Karel Krbec, OK1ANK and Milos Prostecsky, OK1MP of the Central Radio

Leszek is a newcomer and had only been active 6 months before the contest. SP3D01 was one of the few stations using the SP prefix, most were using the new 3Z prefix for Poland.
